PUBLIC SAFETY CAPABILITY BRIEF

ONE PLATFORM EVERY RESPONDER CONNECTED

Secure communications, field intelligence, and command coordination for the people who protect communities.

ILLUSTRATIVE PRODUCT AND ENVIRONMENT VISUAL

SECURE COMMUNICATIONS

Encrypted messaging, push-to-talk, voice notes, and controlled file sharing.

FIELD INTELLIGENCE

Structured reports, in-app media, shift accountability, GPS context, and SOS alerts.

COMMAND & MAPPING

Operational dashboards, mission groups, incident pins, geo-fences, and broadcasts.

CONTROLLED ACCESS

Agency-managed invitations, role-based visibility, media controls, and activity records.

AGENCY BRIEFING

PLAN YOUR CONNECTED RESPONSE

Align the platform with your teams, environments, and existing systems before defining a deployment.

ILLUSTRATIVE PRODUCT AND ENVIRONMENT VISUAL

AGENCIES & ENVIRONMENTS

Law enforcement, fire and EMS, government, emergency management, and infrastructure security.

APPS & INTEGRATIONS

Officer, supervisor, and configured civilian workflows; scope cameras, dispatch, sensors, and wearables.

PILOT | AGENCY | ENTERPRISE

Custom monthly pricing for a focused team, agency-wide operations, or a multi-site network.

START THE CONVERSATION

contact@vetracommand.com
Bring user counts, workflows, locations, integration needs, and governance requirements.

Capabilities and integrations are scoped to the agency deployment. Confirm requirements during your briefing.
